1. Payments

Employees are remunerated on a monthly basis. Salaries are disbursed between the 25th and the

31st day of each calendar month. In the event that payment has not been completed by the 5th day

of the subsequent month, the employee is required to escalate the matter to the General Manager

for immediate review and resolution. Employees are encouraged to maintain awareness of their

salary payments and report discrepancies promptly.

2. Office Days

Employees are remunerated on a monthly basis. Salaries are disbursed between the 25th and the

31st day of each calendar month. In the event that payment has not been completed by the 5th day

of the subsequent month, the employee is required to escalate the matter to the General Manager

for immediate review and resolution. Employees are encouraged to maintain awareness of their

salary payments and report discrepancies promptly.

3. Working Hours

3.1 Working Schedule

The official working day commences at 09:00 AM. Employees are required to fulfill the total number

of working hours defined in their employment contract. A 30-minute lunch break is permitted within

working hours. Employees are expected to manage their schedule professionally and ensure

compliance with agreed working obligations.

3. Working Hours Booking

All employees are required to maintain accurate and up-to-date records of their working hours. This

process is carried out through the Excel document titled 'Projects'. Each employee must access the

relevant project worksheet and record the number of hours worked on a daily basis throughout the

month. Accurate reporting is essential for project tracking and internal accounting processes.

4. Working Trips

Working trips refer to business assignments conducted in a customer's country. Employees are

required to arrive at the airport at least two hours prior to gate closure to ensure timely boarding.

Company parking facilities may be utilized using the official Pentasoft access card. During

international assignments, employees are entitled to a daily allowance of 30 euros for each working day spent abroad.

5. Vacation Policy

Employees planning to take vacation must first identify and assign a qualified substitute who will

assume their responsibilities during their absence. The employee must initially consult the Project

Leader, providing details regarding the desired vacation period and the selected substitute. Upon

approval from the Project Leader, the employee must inform the Team Leader and obtain further

approval. After securing both approvals, the employee is required to submit a formal request to the

General Manager via email, with copies (CC) to the Project Leader, Team Leader, and substitute.

Please notice, that each day at least 2 employees should be available and work. In case that someone requests for vacation and there is no second person available at this period of time, even for a single day, the Project Leader will not approve the request and the vacation period should be readjusted suitably from the employee.

The employee must await final confirmation before communicating the absence to the customer.

Example Email:

Subject: Request for vacation at 01.08.2026 to 10.08.2026

Dear General Manager,
I hope this email finds you well!

Following prior coordination with the Project Leader and Team Leader, and confirmation of my

substitute, I hereby submit my formal request for vacation during the specified period.

Kind regards,

Employee Name

6. Sickness Policy

In the event of illness, employees must notify the customer immediately and confirm their inability to

work. An email notification must also be sent to the General Manager, with CC to the Project
Leader and Team Leader. If the period of absence exceeds three consecutive days, a valid medical
certificate must be submitted confirming the duration of incapacity.

Example Email:

Subject: Sick Leave Notification

Dear General Manager,

I hope this email finds you well!

I would like to inform you that I am currently unwell and unable to perform my duties today. The
respective customer has already been informed.

Kind regards,
Employee Name
